

STUDENT HANDBOOK

Revised 06/01/2020

Welcome to the *Gracie Jiu-Jitsu Kailua Academy*, founded by *Jason Izaguirre*, who following the strict teaching methods of Grand Master Helio Gracie, established this academy to provide the most effective Jiu-Jitsu instruction by giving students the elements to defend themselves as humanely as possible. The academy specializes in the original Gracie Jiu-Jitsu Self-Defense system, which has been proven to be extremely effective not only for the general public, but also for police and military officials.

The main objective of this handbook is to familiarize you with the regulations and procedures of the Gracie Academy. We suggest reading all the information thoroughly, since all the contents of this handbook are equally important.

Periodically, you will find bulletins posted at the front desk reflecting updates, and changes to the existing schedules, as well as other information. Please make sure you check these updates on a regular basis.
